KATHRYN CARR
JUNIOR WEB DEVELOPER

kathrynelizabethcarr@gmail.com
www.kathryncarr.co
github.com/katcarr
Portland, OR

Profile

An industrious web developer focused toward user interactions, JavaScript MVCs and data relationships, with experience in front end and backend technologies.

Skills

Critical Thinker	Puzzle Solver	Communication
I know how to think about problems that a current solution to another problem might create.	I may not know how to code something right away but I will always find a good place to start.	I know it is important to listen, but also to make sure you are heard.

Technical

Ruby	JavaScript	AJAX	PostgreSQL
Git	Rails	Ember.js	HTML
UNIX/Linux	PHP	Sinatra	jQuery
CSS	BDD	Wordpress	Research
Python	Logic	Data Analysis	C/C++
Bootstrap	Vim	C	Angular

Experiences

workfrom.co   20 April 15 - Present
Workfrom, Inc.
Web Development Intern

Using Wordpress and PHP to create or enhance features
Adding interactivity and style to new features with JavaScript and CSS
Identifying and fixing bugs

---

codainc.org   1 July 2013 - Present
CODA, Inc.
Biostatistician

Research methods and conduct literature reviews
Design and analyze data models
Write methods and result sections for original research papers
Prepare data and print media for conference presentations

Projects

Treegram
http://treegram.herokuapp.com

A simple Ruby on Rails photo sharing app with user authentication and file upload capabilities. Worked on for two days.

Tweeter
http://katcarr.github.io/tweeter

A modest Ember.js Twitter clone. Allows users to post tweets with a maximum of 141 characters. Worked on for 7 hours.

NerdNews
http://katcarr.github.io/nerdNews

Simple Angular app allowing a user to post/comment/up-vote web links. Worked on for 2 days.
